### Here are just a few of the benefits your company will enjoy as a Penta CRM Partner:

**Customer Leads:** As the enterprise hosting partner for On-Demand Microsoft CRM, Penta focuses efforts on delivering optimum performance, security and reliability, thus we channel all custom development, consulting and training inquiries to our partners. By becoming a partner, your company will receive these leads.

**Exposure on Penta's CRM Website and Marketing Materials:** Partners are listed on a prominent page within our CRM site. Your company's information along with your logo, specializations and verticals are listed. In addition, we will highlight our partners in our quarterly eNewsletters and printed advertisements.

**FREE On-Demand Account:** As a partner you will receive a private CRM On-Demand account FREE for 3 months. You may use this space to conduct demo's, training or consulting.

 **Sign-up is Fast, Easy and Free!**

**Step 1)** Visit [www.penta.ch/crm](http://www.penta.ch/crm) and click on the partners column

**Step 2)** Complete the short partner registration form

**Step 3)** Penta will get back to you within 24 hours with confirmation

If accepted, your company information will be displayed on our site the same day and we will email you with information for your free demo account

**Your Applications Everywhere, Always™**
